## "Smoke Virginia Straight"

# Virginia tobacco has the real tobacco taste!

Yes—and that's why it's smoked today in three-fourths of all the cigarettes made in this country. For most men enjoy Virginia's body and flavor and prefer a cigarette that has a genuine tobacco taste.

Of course, any cigarette is improved by the addition of Virginia. But a cigarette made entirely of Virginia tobacco gives you ALL of its rare excellence of flavor.

Piedmont all-Virginia cigarettes are the real smokin'!
